

## A REPORT ON THE INTERVIEWS ABOUT THE LOGO LESSONS AT KAKUMBI PRIMARY SCHOOL

On 29 November 2017 interviews were held at Kakumbi primary school with the aim of finding out on how the LOGO lessons were going on. The interviews started around 09.00hours and ended up at 15.30hours. Many children were very eager to be interviewed and they very happy during the interviews, a lot of them expressed themselves very freely.

The majority of the children expressed themselves by saying that they really enjoyed the LOGO lessons and that they were happy that it was introduced to their school. A lot of children said that they would love the lessons to continue because they have learnt and met a lot of new words. The children at Kakumbi primary school have also learnt to read and how to spell the words and progress is truly seen in these children.

Furthermore, they also said that they enjoyed when their teachers were demonstrating the meaning of the words and demonstrated about what was on the pictures. This made them to be very happy and it made them more easily to understand what the teachers were teaching. A grade 4 pupil Patricia said that she really enjoyed the lessons and that she has learnt a lot of new words through these LOGO lessons, she has learnt how to read and spell some words.

Children at Kakumbi primary school say they have benefited more in these LOGO lessons because many have seen themselves moving to the other level in terms of spellings, reading and knowing of many knew words. When these lessons begun, many children thought that the lessons are hard and that they could not manage but as time moved on they started loving the lessons and they really appreciated that it was introduced to their school. During the lessons, many children had fun and they said that they really enjoyed what was happening. One of the grade 3 pupils Edward said that he enjoyed the role play that they used to play with his teacher and he further said that these games made him to remember all the words during the test.

Additionally, another grade 3 pupil by the name of Martha, said that she could not enjoy the lessons without playing a game and that she understood the lessons fast when they played a game, she said that she thanks Simon and Marianne for introducing these LOGO lessons to their school.

When these children wrote the test, many said that the test was easy and simple; Cornelius a grade 3 pupil, said that he will have a hundred percent pass because he could not expect the test to be too simple. The majority of children said that the test was easy for them and that they will like to make it.

All in all, children at Kakumbi primary school enjoyed the LOGO lessons and they really appreciated the coming of the LOGO lessons to their school, they wish that it should continue because they have seen a lot of benefits and they have really improved in their English, both orally and written English.
